THIRD SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

Submitted herewith are one sheet of Form PTO-1449 and copies of the two patent documents listed therein for the above-captioned application.

For the European document, translations of the claims and abstract are submitted herewith.

Also, submitted herewith is a photocopy (front and back) of a prior art TRM product similar to that of Fig. 1 of the German reference but with a 1/4 inch border. The cards in the 7, 10, 11 and 12 card positions have been peeled off. It can be seen that the backing sheet is so thin that the bar code on the back shows through to the front at the

12th card position. (The scribbled out handwriting on the ninth card should be ignored.)
If the Examiner needs an actual sample of the TRM product to understand it, let Applicant know.

It is respectfully requested that the Examiner make his consideration of these documents formally of record with his initial action.

If any fees are due with this submission, the Commissioner is authorized to charge them to Deposit Account Number 16-2230.

Respectfully submitted,

Douglas N. Larson
